AADITYA PATHAK

Software Developer

📞 7600307488   @ adityarpathak7@gmail.com   🔗 www.ap-portfolio-puce.vercel.app   📍 Surat, Gujarat

SUMMARY

I am a motivated and detail-oriented Full Stack Developer with experience in designing scalable APIs and web applications using Java Spring Boot and .NET Core. I excel in building dynamic UIs with React.js and am passionate about backend architecture and clean code practices. My goal is to deliver impactful solutions that address real-world challenges

EXPERIENCE

Full Stack Developer Trainee

TriBase Solutions

📅 02/2024 - 06/2024   📍 Surat, Gujarat

A software solutions company focusing on innovative applications

- Designed and implemented a robust college placement platform 'College2Career' with multi-role architecture
- Developed backend using .NET Core 8 Web API with layered architecture and JWT-based authentication
- Integrated SMTP mailing, Cloudinary for image uploads, and AI chatbot support
- Built frontend modules using React.js (Company/Admin) and React Native (Student) with Expo CLI
- Enabled secure login, offer letters, interview scheduling, and admin controls with real-time mail and dashboard updates

Full Stack Developer Trainee

NJ India Invest Pvt. Ltd

📅 06/2023 - 04/2024   📍 Surat, Gujarat

A financial services company providing investment solutions

- Built dynamic and responsive user interfaces using React.js, Tailwind CSS, and JavaScript
- Developed REST APIs using Java Spring Boot with layered MVC architecture
- Maintained MySQL databases to ensure efficient CRUD operations and data integrity
